

School Governor Opportunities – Five Acres High School and Henley Bank High School

The Greenshaw Learning Trust is looking for people to join the local governing bodies of Five Acres High School and Henley Bank High School.

Five Acres High School (formerly Lakers School) in Coleford, Forest of Dean, and Henley Bank High School (formerly Millbrook Academy) in Brockworth on the outskirts of Gloucester, are inclusive, welcoming and aspirational schools at the heart of their local community.

Having joined the Greenshaw Learning Trust in September 2017 and January 2018 respectively the schools are now on a clear trajectory of improvement that is already evident in better student behaviour and outcomes.

You can find out more on the school websites: <http://www.5acreshighschool.co.uk/> and <http://www.henleybankhighschool.co.uk/>

As a school governor you will play a key part in the school's continuing development, applying your knowledge and skills to ensure it does the best for all its pupils and its local community. It is a rewarding role in which you can learn about aspects of education and gain experience that will benefit other parts of your life. No particular qualifications are required and support and training is provided.

Each school in the Greenshaw Learning Trust is led by its own leadership team and local governing body and strong governance is key to the schools' success – providing strategic leadership, oversight of financial and academic performance, and challenge and support for the headteacher and leadership team.

The local governing body normally meets at least six times per year and governors are asked to take on particular tasks including serving on ad-hoc committees, visiting the school and meeting with members of staff, and taking part in training and development activities.

We want our governing bodies to reflect the diversity of their school population and local community and we would welcome interest from people of all ages and backgrounds.

If you or anyone you know might be interested in joining us as a school governor, please find further information and complete and return the form at: <https://bit.ly/2JPFO3B> or contact Susanne Wicks, Head of Clerking at swicks@greenshawlearningtrust.co.uk

The Greenshaw Learning Trust is successfully supporting and improving primary and secondary schools in Gloucestershire, Bracknell Forest, Sutton and Croydon – see the Trust website: <http://www.greenshawlearningtrust.org.uk>

Please pass this information on to anyone you think may be interested.

With best wishes.

Mike Cooper,

Chair of the Board of Trustees of the Greenshaw Learning Trust.
