Section A:

A1.1 Application

This Attendance Policy and Procedures applies to the Greenshaw Learning Trust as a whole and to all the schools in the Trust.

It is subject to the Trust's Scheme of Delegation for Governance Functions. If there is any ambiguity or conflict then the Scheme of Delegation and any specific alteration or restriction to the Scheme approved by the GLT Board of Trustees takes precedence.

It is the responsibility of the Governing Body and Headteacher of each school within the Greenshaw Learning Trust to ensure that their school adheres to this policy and procedures.

In implementing this policy and procedures all staff must take account of any advice given to them by the GLT CEO, the GLT Head of Attendance and Educational Welfare and/or the Board of Trustees.

If there is any question or doubt about the interpretation or implementation of this Policy and Procedures, the GLT Head of Attendance should be consulted.

A1.2 Monitoring arrangements

This Policy and Procedures will be reviewed annually by the GLT Head of Attendance and will be updated when required due to legislation changes or as guidance from the local authority or DfE is updated.

A1.3 Approval and review

- Maintenance of this Policy and Procedures (Sections A, B & C) is the responsibility of the GLT Head of Attendance.
- Maintenance of the Procedure in Section D is the responsibility of the Headteacher
- This Policy and Procedures (Sections A, B & C) were approved by the Board of Trustees in: July 2024.
- The School Specific Procedures (Section D) were approved by the school Governing Body in September 2024.

A1.4 Legislation and guidance

This Policy and Procedures meet the requirements of Working Together to Improve School Attendance from the Department for Education (DfE), the DfE's statutory guidance on school attendance parental responsibility measures and the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of The Education Act 1996
- Part 3 of The Education Act 2002
- Part 7 of The Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, 2016 amendments)
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013

And the following guidance:

- School census guidance
- Keeping Children Safe in Education
- Mental health issues affecting a pupil's attendance: guidance for school
- [For non-compulsory age students]: Education and Skills Funding Agency Guidance 2023

Section B:

B1.1 Policy Statement

The Board of Trustees of the Greenshaw Learning Trust is committed to meeting our obligation with regards to school attendance through building a culture and ethos that values good attendance, which includes:

- Promoting good attendance.
- Building strong relationships with families to ensure pupils have the support in place to attend school.
- Reducing absence, including persistent and severe absence.
- Ensuring every pupil has access to the full-time education to which they are entitled.
- Acting early to address patterns of absence.
- Promoting and supporting punctuality in attending lessons.

B1.2 Policy Principles

The Board of Trustees of the Greenshaw Learning Trust firmly believe that all pupils benefit from outstanding school attendance. To this end, we will do all we can to ensure that our pupils achieve maximum possible attendance and that any problems that prevent excellent attendance are identified and acted upon promptly. In order for a pupil's attendance record to be deemed outstanding, we will expect every pupil to attend every day that the school is open to them, whilst working with parents/carers to develop appropriate individualised support approaches for pupils whose attendance is impacted by an additional or special educational need, disability or a diagnosed chronic/medial (including mental health) condition.

All GLT schools must ensure that they maintain systems and practices that will:

- Maintain a safe, secure environment where pupils feel valued and welcome, thereby positively encouraging attendance.
- Create an ethos in which excellent attendance is the norm.
- Raise pupil awareness of the importance of punctuality and uninterrupted attendance, and encourage in pupils motivation and a sense of responsibility.
- Support pupils and families who experience difficulties maintaining good school attendance.
- Celebrate excellent school attendance.
- Act in accordance with the Education Act 1996 and work collaboratively with local authorities to support parents in ensuring that their children are regularly attending school.

In addition, all GLT Schools expect pupils to :

- Attend school every day
- Attend school punctually.
- Attend school appropriately prepared for the day.

And all GLT schools expect that all parents/carers who have day to day responsibility for the children and young people will:

- Encourage regular school attendance and be aware of their legal responsibilities.
- Ensure that the child/children in their care arrive at school punctually, prepared for the school day.
- Contact the school on the morning of each day of the pupil's absence.

- Contact the school promptly whenever any problem occurs that may keep the child away from school.
- Be aware that any unexplained absence is treated as an unauthorised absence and may be considered a safeguarding concern, this may result in a home visit or a referral to Children's Services.

B1.3 Roles and Responsibilities

The Headteacher is responsible for:

- Implementation of this policy at their school
- Monitoring school-level absence data and reporting it to the governing body
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary
- Authorising any absence due to exceptional circumstances

The Senior Leader with responsibility for attendance (see Section D1) is responsible for:

- Leading attendance across the school and embedding a whole school approach to promoting/supporting excellent attendance
- Defining clear vision and priorities to improve attendance
- Evaluating and monitoring expectations and processes
- Having an oversight of data analysis
- Devising specific strategies to address areas of poor attendance identified through data
- Building relationships with parents/carers to understand the challenges causing attendance issues and plan steps to address these
- Creating intervention / reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families
- Liaising with external agencies where appropriate for specific support
- Working proactively with local authorities and supporting them in their statutory responsibilities

The school attendance officer (see Section D1) is responsible for:

- Monitoring and analysing attendance data including completed registers and accurate coding
- Informing the School DSL (Designated Safeguarding Lead) and safeguarding team of unexplained absence of any pupil on safeguarding register by 9.30am.
- Informing the DSL of any parent / carer who have not responded to contact from school on the first day of absence of any pupil
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance and the headteacher
- Working with education welfare officers to address persistent absence
- Advising the Headteacher or appropriate Senior Leader when to issue fixed-penalty notices
- Responding to absence in accordance with the Attendance Procedures

All relevant teaching staff are responsible for:

- Recording attendance on a daily basis, using the correct codes, and submitting this information correctly

Section C

GLT Attendance Procedures

C1. Recording attendance

All schools will keep an attendance register, and place all pupils onto this register.

Schools will take an attendance register at the start of the first session of each school day and once during the second session. The morning attendance register will be open for 30 minutes and the second register will be taken after midday. The attendance register will record whether each pupil is:

- Present.
- Attending an approved off-site educational activity.
- Absent.
- Unable to attend due to exceptional circumstances.
- Late.

Attendance registers are legal documents which are shared with the DfE. Any amendment to the attendance register will include:

- the original entry,
- the amended entry,
- the reason for the amendment,
- the date on which the amendment was made, and
- the name and position of the person who made the amendment

Schools will also record:

- [For pupils of compulsory school age] Whether the absence is authorised or not.
- The nature of the activity if a pupil is attending an approved educational activity.
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances.

Every entry on the attendance register will be kept for 3 years after the date on which the entry was made.

C2. Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence as soon as practically possible. Please see Section D for details.

Absence due to physical or mental illness will be marked as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

When no communication is received about a child's absence and we are unable to contact parents/carers, a home visit will be carried out within 24 hours in primary schools and 72 hours in

secondary schools of the absence occurring. Following the home visit, if we have further concerns or are not satisfied with the outcome, a referral may be made to Children's Services.

C3. Planned absence

We encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. Where a student's attendance is a concern, medical evidence will be required to support the absence.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence.

C4. Lateness and punctuality

A pupil who arrives late before the register has closed will be marked as late.

A pupil who arrives late after the register has closed will be marked as absent.

GLT schools open their AM registers for 30 minutes (for exact times for each school see Section D) , pupils who arrive late but within the 30 minute window will receive a Late mark (L) in the register. Pupils who arrive after this time will have their mark recorded as an unauthorised absence (U Code - Late After the Close of Registers) in the AM register. PM registration is taken during the first lesson/session that starts after midday.

Lateness after registration has closed is recorded as an unauthorised absence (U) and parents/carers will be notified of this absence. Continued Lateness after the Close of Registration may result in a referral to the local authority requesting a penalty notice.

C5. Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call or message the pupil's parent/carer before 10:30am on the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's named contacts, the school may contact other emergency contacts or the police.
- Identify whether the absence is approved or not.
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session.
- All normal absence monitoring procedures will continue during the unexplained absence, including calling/emailing/texting the parent/carer on each day that the absence continues. This may also involve contacting the school of any siblings, home visits and reference to Children's Services.

Continued concerns about a child's attendance may result in

- Implementation of a staged attendance intervention. Please see Section D for details.
- Home visits, from the third day of unexplained absence.

- A referral to the school's Safeguarding Team, an EHAT (Early Help Assessment Tool), the school nursing service, MASH Team (Multi Agency Safeguarding Hub) or the police for a welfare check.
- A referral to the local authority requesting the issue of a Penalty Notice, an application for an Education Supervision Order or court prosecution.

C6. Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels.

C7. Approval for term-time absence

The Headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The Headteacher will consider each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

All parents/carers requesting leave of absence in term time will need to complete a "Request for Leave of Absence in Term Time for Exceptional Circumstances" form, where possible, at least six weeks before the absence and return it to the school. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

The Headteacher may require evidence to support any request for leave of absence.

Valid reasons for authorised absence include:

- Illness (including mental illness) and medical/dental appointments.
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart. If parents/carers do not inform the school any days missed may be recorded as an unauthorised absence.
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has received approval from the school in writing, but it is not known whether the pupil is attending educational provision.
- Where the local authority have granted a licence for the pupil to take part in a performance regulated by section 37(2) of the Children and Young Persons Act 1963
- Where a Justice of the Peace has given the pupil a licence to go abroad for a performance or other regulated purpose under section 25(2) of the Children and Young Persons Act 1933

Absences that the school is unable to authorise include:

- Holidays during term time (unless in exceptional circumstances *).
- Arrival after the registers close without prior notification.
- Shopping trips, even if this is for school uniforms.
- Birthday celebrations.

- Looking after a relative/pets.
- Tiredness due to extra-curricular activities.
- All unexplained absences.

**Exceptional circumstances will typically only cover:*

- *For Service children, where parental leave is dictated*
- *Holidays arranged and paid for by children's social care*
- *Holiday arranged by organisations such as Make a Wish Foundation*
- *Blue light staff (NHS clinical, police, paramedics, fire brigade) where holidays have been dictated and proof is provided*
- *A significant family event - ie; wedding or funeral of an immediate family member*

C8. Legal sanctions

[For children of compulsory school age **only**.]

The school can apply to the local authority for a fine to be issued to parents/carers for the unauthorised absence of their child from school.

A penalty notice is an out of court settlement which is intended to change behaviour without the need for criminal prosecution.

If repeated penalty notices are being issued and they are not working to change behaviour they are unlikely to be the most appropriate tool. Therefore only 2 penalty notices can be issued to the same parent in respect of the same child within a 3 year rolling period and any second notice within that period is charged at a higher rate:

- The first penalty notice issued to a parent in respect of a particular pupil will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days.
- A second penalty notice issued to the same parent in respect of the same pupil is charged at a flat rate of £160 if paid within 28 days.
- A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of issue of the first. In a case where the national threshold is met for a third time (or subsequent times) within those 3 years, alternative action should be taken instead. This will often include considering prosecution.

Penalty notices can only be requested by a Headteacher, local authority officer or the police and issued by the local authority.

All schools must consider whether a penalty notice is appropriate in each individual case where one of their pupils reaches the national threshold for considering a penalty notice. The threshold is 10 sessions of unauthorised absence in a rolling period of 10 school weeks. A school week means any week in which there is at least one school session.

This can be met with any combination of unauthorised absence (e.g. 4 sessions of holiday taken in term time plus 6 sessions of arriving late after the register closes all within 10 school weeks). These sessions can be consecutive (e.g. 10 sessions of holiday in one week) or not (e.g. 6 sessions of unauthorised absence taken in 1 week and 1 per week for the next 4 weeks). The period of 10 school weeks can also span different terms or school years (e.g. 2 sessions of unauthorised absence in the Summer Term and a further 8 within the Autumn Term

C9. Strategies for promoting attendance

All schools will use a range of strategies for rewarding and promoting good attendance.

C10. Monitoring attendance

The school will:

- Monitor attendance and absence data across the school and at an individual pupil level.
- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families.
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns.
- Provide attendance reports to the Board, its Committees and Governing Bodies.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies and to facilitate discussions with pupils and families.

Pupil-level absence data will be collected each term and published at national and Local Authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

C11. Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will use strategies to improve attendance, these may include:

- Using attendance data to find patterns and trends of persistent and severe absence.
- Holding regular meetings with the parents/carers of pupils who the school considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school.
- Providing access to wider support services to remove the barriers to attendance.

C12. Sixth Form

The rigours of post-16 study mean that excellent attendance is perhaps even more important in Sixth Form than in any other years. The school's Sixth Form Team will therefore adopt the principles outlined above, unless otherwise stated.

While we expect Sixth Form students to take a greater degree of responsibility for their attendance than students in other years, we will still involve parents/carers where we feel it is appropriate.

Sixth Form students can be expected to remain onsite for the full school day. However, the Headteacher may choose to allow students to leave the school site at certain times (e.g. break,

lunch, and in exceptional circumstances, study periods). Sixth Form students will be expected to sign in and out when arriving at / leaving school.

Sixth Form places will not be withdrawn on the grounds of low attendance. However, where a student's attendance is impacting upon academic performance, it might be appropriate for the school, in consultation with the student and their parents/carers, to consider whether changing a course and/or resitting a year might be appropriate. Such decisions will always be made with regard to the student's best interests.

Section D - School Operational Attendance Procedures

D1. School Key Contacts

Key Contact	Name	Email
Headteacher	<i>Katie Parkhouse</i>	<i>kparkhouse@tyndaleprimary.co.uk</i>
Senior Leader with responsibility for attendance	<i>Katie Parkhouse</i>	<i>kparkhouse@tyndaleprimary.co.uk</i>
Attendance Officer	<i>Katie Parkhouse</i>	<i>kparkhouse@tyndaleprimary.co.uk</i>

D2. Notifying the school of unplanned absences

Parents/carers should telephone the school on 01454867180 before 8am on the first day of absence

All absences should be reported, failure to report your child's absence would be deemed a safeguarding concern.

D3. Staged attendance interventions

Our expectation is that all pupils attend school every day that it is open to them, however, we appreciate that this will not always be possible.

In order to support our students and create a culture where excellent school attendance is the norm, we need to ensure that we are aware of and reacting appropriately to all levels of attendance and absence. To do this we need to offer praise and rewards for sustained or improved attendance and support including referrals to safeguarding, SEN teams, outside agencies, EHATs (Early Help Assessment Tool) and LAs (Local Authority) for those pupils with high levels of absence.

Staged Attendance Procedure

%	Action
96%	No action needed. Recognition and praise.
95% - 96%	Tutor conversation. AO to monitor weekly for deterioration.
95% - 94%	1st stage attendance letter. Phone call home.
93% - 92%	Attendance support plan meeting. Review meeting after four weeks.
91% - 90%	Medical evidence request. Daily monitoring.
90% and below	Attendance action plan. Review meeting after two weeks.
Failure to meet target	Referral to local authority.

Attendance of 96% +

The attendance officer Sends daily absence text if no communication received from parents

The attendance officer will monitor students in this category for recognition and regular feedback is given to class teacher/tutor/year/pastoral teams. This should trigger recognition, this could be in the form of:

- Certificates
- Postcard home
- Start or end of day conversation with parents (more appropriate to primary)
- Telephone calls home
- Stickers
- Stamps in planners
- Lunchtime queue jump passes
- Recognition in assembly

Between 95% and 96%

The attendance officer may begin to monitor students whose attendance begins to decline, and raise concerns with the class teacher/year/pastoral/safeguarding/SEN teams if they have not received a valid reason and feel there is a cause for concern. This may result in:

- A telephone call home from the attendance Officer or other agreed staff member
- Back to School conversation

Between 95% and 93%

1st stage absence concern letter sent home unless there are exceptional circumstances including:

- Ongoing treatment relating to a chronic medical condition for which the school holds a healthcare plan
- An emergency hospital admission, i.e. appendicitis, an accident or the onset of a medical condition
- Bereavement of an immediate family member

This should be followed up by a phone call home from the attendance officer or other agreed member of staff to reinforce the importance of excellent attendance. Always check the following:

- Siblings attendance - make contact with primary school/other provision if you have concerns
- Friends, look for similarities in absences
- Broken weeks and patterns in absence

Between 91% and 93% - Attendance Support Plan

The attendance Officer should invite parents/carers into school for an Attendance Support Plan Meeting (ASP), this invitation should be sent in the form of a letter and a copy attached to the pupil's profile in SIMS. The purpose of this meeting is to identify any barriers to attendance and offer appropriate support to the child and family. Examples of issues that may affect attendance may include:

- Bullying
- Friendship groups issues
- Medical issues that the school is unaware of
- Anxiety
- Undiagnosed SEN needs
- More complex issues at home, including illness, financial, housing concerns, divorce or bereavement
- Issues in certain lessons

In conjunction with the child and parents/carers a supportive plan should be put into place, to purpose of this plan is to remove potential barriers to school attendance, this may include:

- A medical support plan
- A referral to ELSA (Emotional Learning Support Assistant) mentor or other pastoral/support services in school
- A referral to the SEN team for assessments to be carried out
- A referral to the safeguarding team
- A referral to outside agencies for support for the child or the wider family
- Short term support with transport to school (minibus pickups, bus tickets)
- Assigned consent to hold certain medications in school, such as paracetamol, ibuprofen
- In exceptional circumstances, a change of class/tutor group may be considered

This plan should be reviewed after four weeks. If there has been an improvement in attendance this should be acknowledged to both parents and pupils, however, you should explain that support will continue to be available if needed and that the school will continue to monitor in case of future deterioration.

If attendance does continue to deteriorate the pupil's parents/carers should be invited in for a review meeting. The purpose of this is to discuss any further concerns and revise any support or interventions currently being offered, this should be reviewed two weeks to ascertain whether the support or intervention has been successful.

Parents/carers should always be made aware of potential avenues of escalation, including requests for medical evidence, referrals to outside agencies, EWO (educational welfare) services. During this period Normal attendance procedures such as text, emails, unexplained absence letters and phone calls home should continue for any further absences All meetings should be minuted, signed by all parties present (including the child in secondary schools), a copy of the minutes should be given to parents/carers and a copy should be uploaded to SIMS.

Between 91% and 90% - Medical Evidence

If the pupil/family fails to engage with supportive measures offered during the Attendance Support Plan meeting, the school should write to the parents informing them that no further absences will be authorised unless suitable medical evidence is provided. A copy of this letter should be sent to each individual parent or carer, a copy of the minuted support plan should also be included. Acceptable medical evidence includes:

- A Letter from the hospital with the date and time of an appointment
- A letter from a specialist stating that the pupil was unable to attend school
- A letter of a named, dated and stamped appointment card for a GP
- A photo of a prescription or medication label with the pupil's name, date of birth and the date it was dispensed clearly visible

Please make parents/carers aware that non-urgent appointments such as optician or routine dental appointments during the school day will not be authorised.

Schools would continue to follow all normal attendance procedures.

Pupils required to provide medical evidence should have an N (unexplained absence) entered into the register until suitable evidence is received. If suitable evidence is not received, a letter to parents reminding them of the need to provide medical evidence should be sent at the end any week where an absence has occurred. Parents should be given five school days to provide this. If not received the mark should be changed to O (unauthorised absence).

90% and Below - Attendance Action Plan

If, despite being offered interventions and support, there is a continued deterioration in the pupil's attendance and the parents/carers are not providing suitable medical evidence to support these absences, despite regular reminders by email, text and letter, the school should arrange an Attendance Action Plan Meeting (AAP).

Each parent or carer should receive a separate invitation, in writing to this meeting.

This meeting should reflect the escalation of the situation and will involve the attendance officer and a senior member of staff, this could be:

- A head of year
- The DSL or DDSL
- The SENCO
- An assistant or deputy headteacher
- In some cases, an external worker such as a social worker, key worker or mentor may be invited to attend
- A parental advocate if required

This meeting would set out three very clear attendance targets, a review date of two weeks should be set.

Other options to consider when holding an AAP meeting might include:

- An adapted timetable
- Withdrawal for a particular lesson for targeted support
- Daily pick up by minibus (if available)
- Offer of further support, such as breakfast, support with homework or revision
- Approaching the local authority for respite at an alternative provision
- If requested by the parent, support with an in-year transfer to another school
- A managed move

All meetings should be minuted, signed by all parties present (including the pupil in secondary schools). A copy should be given to parents/carers and a copy should be uploaded to SIMS

Failure to Attend AAP

If parents/carers fail to attend this meeting, they should be sent an alternative date and time. If they fail to attend the second meeting, it should be held in their absence with a copy of any minutes/targets sent to them.

Targets Not Met

A final warning letter should be sent, this should clearly set out the next stages of the process, this may include:

- A referral to children's social care
- A request for a police welfare check
- A home visit
- A referral to the local authority for a penalty notice to be issued
- A referral to the local authority asking them to initiate legal proceedings

When we send the final warning letter, we should be able to evidence that we have worked with the family and offered solutions to non-attendance, for example, mentoring, referrals to safeguarding, outside agencies, staged interventions, adapted timetables etc. this should all be included in the letter.

Local authorities will only start their attendance process if we have documented evidence that we have offered support and intervention at each stage.

Things to Remember

The list of interventions and support that I have mentioned are examples, your school or local authority may be able to offer more or in some cases not as much. It is vital that every avenue has been explored before we refer to the local authority for legal action or penalty notice.

All invitations to meetings should be confirmed in writing, to all parties invited to attend

When communicating with parents, please keep all letters succinct and to the point, clearly outlining the consequences of continued non-attendance.

When the staged attendance process begins, we should ensure that we are writing separately to all adults with parental responsibility, this is particularly important should we reach the stage where we are applying for a penalty notice or referring to court.

D4. Strategies for promoting attendance

In the weekly celebration assembly, there is an attendance trophy that is awarded to the class with the highest attendance for the week. The class keeps that on display in their classroom all week and then awards it to the next class.

Attendance is promoted in our end of term reward. Pupils have a loyalty card that they have to gain 10 tokens on to achieve the end of term reward. The ten tokens can be from any items on the 'Reward Menu'. One of the many items on the menu is 96% attendance or higher (3 tokens).

Attendance is promoted in our fortnightly newsletter and we also show a ladder on the newsletter which reflects the amount of learning missed when a child's percentage of attendance drops.

We do initiatives for attendance associated with the school menu on a monthly basis and the pupil's choose what the menu will be. Pupils are enticed into school on these days as they look forward to the lunch as they've chosen it.

Breakfast club is offered to all families from 8.30am, particularly those with children who struggle to transition effectively in the morning.

All children have breakfast provided to them upon arrival to their classroom.

After school clubs are available every day for all pupils in every year group, free of charge.

D5. Procedure for Reporting a Children Missing in Education (CME) and Elective Home Education (EHE)

Tyndale Primary will email childrenmissingeducation@southglos.gov.uk if they are worried about a child or young person missing education.

If Tyndale are worried about a child who has not attended school for more than five days and they believe the child to have left the area, they will make a [CME referral](#).

If a child is on roll at a school and parents/carers wish to withdraw their child for home education the parents/carers must inform the school in writing. Schools must then notify the LA by forwarding the written communication from the parent and completing the EHE Exit form [available here](#).

The local authority must consider whether to give consent for the child's name to be removed from the roll, but this should not be a lengthy or complex process.

Where consent is given, the school must then remove the pupil's name from the admission register. Once a child becomes electively home educated an Education Officer makes contact with their parent / carer and aims to address any queries they may have.

After this initial contact an Education Officer or EHE Support Teacher will make contact on an annual basis if there are no concerns. Through home visits or other contact officers aim to ensure the child is being suitably educated. Most parents welcome this contact however parents do not have to agree to home visits. They may instead opt to meet at an alternative location or to provide evidence that they are providing a suitable education for example by providing a report, samples of work, have their educational provision endorsed by a third party (such as an independent home tutor) or provide evidence in some other appropriate form.

For pupils with an EHCP the report written following the home visit or any alternative evidence provided will be shared with the 0-25 team who are responsible for the annual review process. Where possible the annual home visit or request for evidence of a suitable education will be combined with the annual review with members of both the EHE team and 0-25 team present.

If there are concerns that the education being provided is not suitable this will be addressed through discussion with the parent / carer and offering further meetings or visits.

DFE guidance states that if a local authority has not been able to ensure a child is safe and being suitably educated the authority should act to remedy the position. This may in some cases mean issuing a School Attendance Order requiring the parent/carer to return the pupil to school (Guidance for Local Authorities April 2019).
