## Welcome to Woodlands Primary Nursery

If you are thinking about or planning to join our Nursery, we are here at every step of the way to answer your questions. We understand that making plans for your child's care and ongoing education at this early age is an important decision. We count it as a huge privilege to work with children, and can assure you that our team of practitioners, carers and wider school team will provide the very best personalised care to meet your child's needs.

We are looking forward to your child joining our nursery and to help you we have information available on our website that will give you a summary of what we can offer within our Nursery sessions. We always recommend that you come and see us, so that we can show you what we can offer and this can be arranged at a time that suits you.

To start the application process, we would like to get some information from you about you and your child. Please complete the following form (one form for each child). The form should be returned to us at your earliest convenience, so that we can arrange a start date that suits you.

Please remember that once your child starts in our nursery, if any of the information you complete in this application form changes, please notify us so that we can update our records.

If you have any further questions or comments, please do not hesitate to contact us.

We look forward to meeting you.

Yours sincerely

Rachel Dean
