

MAKE A DIFFERENCE TO CHILDREN'S EDUCATION

Have you ever considered becoming a member of a school admissions appeal panel?

Admission appeal panel members can be located anywhere but we specifically need volunteers in Reading, Bracknell Forest and Surrey.

Independent appeal panel members provide an impartial service to schools and parents. You will be responsible for ensuring that parents/carers feel that they have had a fair and independent hearing.

If you would like more information, please contact us at:
iapm@greenshawlearningtrust.co.uk

Appeals are heard throughout the academic year (not at weekends, bank holidays or during the school holidays). Full training will be provided.
