Five Acres High School Careers Guidance Provider Access Statement

The school has legal obligations under Section 42B of the Education Act 1997 to make arrangements for managing the access of providers to pupils at the school, for the purpose of giving them information about the provider's education or training offer.

Pupil entitlement – All pupils in Years 8-11 are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships- through options events, assemblies, group discussions and taster events
- To understand how to make applications for the full range of academic and technical courses

For pupils of compulsory school age these encounters are mandatory and there will be a minimum of two encounters for pupils during the 'first key phase' (year 8 to 9) and two encounters for pupils during the 'second key phase' (year 10 to 11).

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- explain what career routes those options could lead to
- provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and pupils from the provider)
- answer questions from pupils

Management of Provider Access requests Procedure

Premises and facilities

The school will make the main hall, 10 Block, Blue Gym, classrooms or private meeting rooms available for discussions between the provider and the students as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Lead or a member of the team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at our main reception and with our main contact.

Opportunities for access

The school offers the four provider encounters required by law and a number of additional events, integrated into the school careers programme. A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parent/carers, including:

- All visitors must have read and understood the school's safeguarding policy.
- The request supports the programme of planned careers education and guidance for the targeted pupil ground and the focus appropriateness of proposed content;
- The timing of the request can be included in the schedule of events for other careers events, assemblies, visits by other providers and employers;
- The timings of the requests in relation to mock exams, final exams and moderation days, and other events already scheduled annually;
- Whether this is a return visit to the academy by the provider and the overall quality and impact of previous visits had of groups of pupils;
