# Barnwood Park School Careers Guidance Provider Access Statement

## Introduction

This Policy statement sets out Barnwood Park School's compliance to its legal obligations under Section 42B of the Education Act 1997. To make arrangements for managing access of providers to the Pupils at the School for the purpose of giving information to the Pupils about the provider's education or training offering.

## Pupil entitlement – All Pupils in Y8-11 are entitled:

- To find out about technical education qualifications and apprenticeship opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships- through options events, assemblies, group discussions and taster events
- To understand how to make applications for the full range of academic and technical courses

For Pupils of compulsory school age these encounters are mandatory and there will be a minimum of: two encounters for Pupils during the 'first key phase' (year 8 to 9) and two encounters for Pupils during the 'second key phase' (year 10 to 11).

These provider encounters will be scheduled during the main school hours and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- explain what career routes those options could lead to
- provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and Pupils from the provider)
- answer questions from Pupils

Our School Safeguarding Policy sets out the school's approach to allowing visitors to our school.

## Opportunities for access
