In developing our school uniform we have carefully considered what is required practically for classroom lessons or for sport, safeguarding and health and safety considerations, and our obligations under the Equality Act 2010, and we have taken account of the wishes of parents and students.

We have also considered the cost implications for families and different groups of students and sought best value - we have minimised the number of branded items and avoided single supplier contracts so that parents have a choice of where they can shop, and we will avoid frequent uniform changes so that clothes can be passed on. We also offer second hand uniforms to ensure that families have low cost options.
