5. Asylum seekers	4
6. Bursaries for young people in defined vulnerable groups	5
7. Discretionary bursaries	6

## **16 - 19 Bursary Statement**

This statement is based on advice from the Education and Skills Funding Agency (ESFA) on the 16 to 19 bursary fund and complies with the school funding agreement and GLT articles of association.

The GLT Board of Trustees has overall responsibility for approving this **model** 16 to 19 bursary fund statement. The Headteacher has responsibility for the implementation of this statement in their school, for ensuring staff are familiar with this 16 to 19 bursary fund statement, and that it is being applied consistently.

All schools will have clear and transparent processes for the use and allocation of 16 to 19 bursary funds, make clear to parents/carers and students the type of support that is available and the means of applying for it, and make clear to parents/carers and students the attendance and behaviour conditions for receiving the funds.

---

### **1. How Scott Medical and Healthcare College uses the bursary fund**

Financial support is available to eligible students from the 16 to 19 bursary fund. See below for details of our eligibility criteria.

The fund is intended to support students aged 16 to 19 in overcoming specific financial barriers to participation so they can remain in education. To be eligible for either bursary, students must be at least 16 years old but under 19 years old. There are 2 types of 16 to 19 bursaries:

- Bursaries for defined vulnerable groups; and
- Discretionary bursaries

We use the fund to provide students with support to fund:

- Transport
- Books
- Equipment
- Field trips and other course-related costs
- The costs of attending university interviews and open days

## **2. Eligible education provision**

Students must be participating in provision that is subject to inspection by a public body that assures quality (e.g. Ofsted). The provision must also fall into 1 of these groups:

- Be funded directly by the ESFA or by the ESFA via a local authority;
- Be funded or co-financed by the European Social Fund;
- Be otherwise publicly funded and lead to a qualification (up to and including level 3) that is accredited by Ofqual or is on the ESFA's list of qualifications approved for funding 14 to 19;
- Be a 16 to 19 traineeship programme

Students are not eligible if:

- They are on an apprenticeship programme; or
- Are on any waged training

## **3. Residency**

Students must meet the residency criteria in the ESFA funding regulations for post-16 provision.

## **4. Asylum seekers**

Accompanied asylum seekers under 18 with an adult relative or partner, and asylum seekers aged 18 and above are entitled to education but are not entitled to public funds. If necessary, they can apply to the Home Office for suitable housing and cash for essentials.

Unaccompanied asylum-seeking children:

- Are the responsibility of the local authority;
- Are to be treated as 'looked after' children; and
- Are eligible for a bursary for vulnerable groups, where they have a financial need

When these students reach 18-years-old, they will still be eligible for a bursary as a student from a defined vulnerable group if the asylum claim is in their favour and will be treated as a 'care leaver' until they reach the upper age limit.

## **5. Bursaries for young people in defined vulnerable groups**

Students with a financial need, who meet 1 of the following 4 criteria below, in addition to the criteria outlined above, can apply for a bursary for vulnerable groups.

The defined vulnerable groups are students who are:

- Currently in care (as defined by Social Services) – evidence of in care status will be checked when the application is received at the Local Authority (LA).
- Leaving or have recently left care – evidence of in care status will be checked when the application is received at the Local Authority.
- Receiving Income Support (IS) or Universal Credit (UC) because they are financially supporting themselves, or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner; or
- Receiving Disability Living Allowance (DLA) or Personal Independence Payments (PIPs) in their own right, **as well as** Employment and Support Allowance (ESA) or UC in their own right

Students who meet the criteria for a bursary for vulnerable groups are not automatically entitled to a bursary. Students will not receive the bursary if they do not have any actual financial need (for example, because their financial needs are met from other sources and/or because they have no relevant costs).

Where a bursary is provided, the funds will generally be up to £1,200 per year for study programmes lasting 30 weeks or more. When calculating the amount, cases will be looked at individually and the outcome based on a particular student's needs. Students will only receive the amount they actually need to participate and will not automatically receive £1,200 if they do not need the full amount.

We will review the student's eligibility position each academic year. Students will only continue to receive a bursary for vulnerable groups if they continue to satisfy the criteria.

We will provide this support for students from the bursary fund by making payments in kind where possible. It will not be provided as regular payments for living costs.

## **6. Discretionary bursaries (Category 2 and 3)**

In addition to the criteria outlined above, students can apply for a discretionary bursary if they satisfy 1 or more of the following criteria:

- I. **Age** - A student must be aged 16 or over but under 19 years on 31 August before the academic year in question to be eligible for help from the bursary fund for this academic year.
- II. **Residency** - Students must have the legal right to be resident in the United Kingdom at the start of their study.

### III. **Gross Household** income –

- Gross household income is less than £16,190 per annum. The parents are in receipt of benefits and evidence that the student received free school meals in Year 11 or Year 12.
- Gross household income is more than £16,190 – less than £20,817
- If it is more than £20,817 less than £32,000
- If you have No Recourse to Public Funds capital threshold £22700 per annum – no money will be given only items in kind

### IV. **Evidence of eligibility** –

- Students applying for the first time must complete an application form and provide relevant evidence. Any student previously in receipt of the bursary fund will be asked to complete a new application form providing current evidence.

Evidence of household income such as:

#### Category 2:

- Certified letter from the Local Authority regarding Free School Meals

#### Category 3:

- P60 AND last 3 months' payslips
- Self-employment income evidence
- Benefit award notice from DWP dated in the last 3 months. Older notices accepted if accompanied with recent bank statements naming benefit received
- Working Tax Credit/Child Tax Credit award notice
- Universal – 3 most recent monthly award statements to estimate assumed income for the full year
- Company or private pension statement if in receipt
- Support under VI of the Immigration Act 1999 award letter

Students will need to reapply each academic year

## **7. Applications**

All applications for 16 to 19 bursaries must be supported by appropriate evidence.

Applicants should request an application form from **Sixth Form Office**

Applicants will be notified in writing whether their application has been successful, together with the amount of funding awarded. If a student wishes to appeal the outcome of their application for a bursary, they must follow the school complaints procedure.

## **8. Payments**

Payments are made using the following process:

- Payments are made monthly in arrears by BACS (bank automated clearing system). This will arrive into the student bank account the last week of each month from October of each academic year.

## **9. Conditions for the receipt of bursary payments**

Payments of the bursary are conditional on students meeting the following conditions in relation to their standards of attendance and behaviour:

- Attendance above a certain amount with a sliding scale amount, due to absence for the month.

Students who fail to meet these conditions may have their payment withheld, but we will always take students' individual circumstances into consideration. This includes considering the impact on attendance that might be caused by illness, caring responsibilities or other exceptional circumstances.

We will stop payments where students have been absent for a period of 4 continuous weeks or more (excluding holidays) and where students have decided to withdraw from a study.

We will consider the impact of such an action on the individual student before taking a final decision to do so, and any decision will be confirmed to the student in writing.

## **10. Record keeping**

Any paperwork and documents we retain for audit purposes (for example, copies of application forms, documents as evidence and any agreements signed by students) will be kept securely in line with the GLT data protection policy, privacy notices and data retention policy. These are available via the school website.

## **11. Unspent funds**

Funding for discretionary bursary funding cannot be carried forward for more than 1 year. The school will report unspent funding to the ESFA, specifying the amount of funding and the year/s it relates to, no later than 31 March each year. The ESFA will recover all unspent funds.
