Greenshaw Learning Trust Communications Policy

Application

This GLT Communications Policy applies to the Greenshaw Learning Trust as a whole and to all the schools in the Trust and the Trust Shared Service.

The Greenshaw Learning Trust, including all the schools in the Trust and the Trust Shared Service, their Trustees, governors and staff, must abide by this GLT Communications Policy.

This Policy is subject to the Trust's Scheme of Delegation for Governance Functions. If there is any ambiguity or conflict then the Scheme of Delegation and any specific alteration or restriction to the Scheme approved by the Board of Trustees takes precedence.

In implementing this policy and associated policies and procedures the Governing Body, Headteacher and school staff, and Trust Shared Service staff, must take account of any advice or instruction given to them by the GLT CEO or Board of Trustees.

If there is any question or doubt about the interpretation or implementation of this Policy, the GLT CEO should be consulted.

Approval and review

Maintenance of this Policy is the responsibility of the GLT CEO.

This Policy was approved by the Board of Trustees in February 2026.

This Policy is due for review by: February 2029.

Terminology

The Trust means the Greenshaw Learning Trust (GLT).

- School means a school within the Greenshaw Learning Trust.
- Headteacher means the headteacher or principal of the school.
- CEO means the chief executive officer of the Greenshaw Learning Trust.
- Trust Shared Service means services, functions and staff of the Trust that are not contained within a school budget and/or are not the responsibility of a Headteacher and/or Governing Body.
- Governors and Trustees include all members of a Governing Body, Trustees, non-Trustee members of Trust Committees and members of the Trust Panel.
- Governing Body means the committee of the Board of Trustees to which Trustees have delegated appropriate powers and functions relating to the governance of a Trust school or schools.

In this Policy references to the Greenshaw Learning Trust will be read as including the Greenshaw Learning Trust Shared Service and all schools in the Greenshaw Learning Trust.

References in this Policy to a school in the Trust should also be read as the Trust Shared Service for services, functions and staff of the Trust that are not contained within a school budget and/or are not the responsibility of a Headteacher and/or Governing Body. With respect to the Trust Shared Service, references in this Policy to the responsibilities of the Headteacher and Governing Body should be read as the GLT CEO and the-Board of Trustees respectively.

Responsibilities

It is the responsibility of the Governing Body and Headteacher of each school, and of the Board of Trustees and GLT CEO for the Trust Shared Service, to ensure that their school/service and its staff adhere to this GLT Communications Policy. In implementing this Policy the Governing Body, Headteacher and school/Trust staff must take account of any advice given to them by the GLT CEO and/or Board of Trustees.

Associated Policies and procedures

The following Trust policies and their associated procedures are an integral part of this GLT Communications Policy:

Complaints Policy

When responding to concerns or complaints, each school in the Trust and the Trust Shared Service will follow the GLT or School Complaints Policy as appropriate, as agreed by the Board of Trustees.

The Trust will deal with complaints from parents/carers of pupils at its schools in accordance with DfE guidance, and will seek a resolution that is satisfactory to all involved.

The Trust will handle complaints from people who are not parents of children at its schools respectfully and expediently, and as far as is appropriate in line with the school/GLT Complaints Procedure, except that for such complaints the Trust reserves the right to amend the Procedure and omit a hearing before a panel with an independent member.

Complaints about a school in the Trust should be taken up with the school by contacting the school, and will be dealt with through the school's published Complaints Procedure that can be found on the school's website.

Complaints about the Greenshaw Learning Trust as a whole, the Trust Shared Service, an executive officer of the Trust, a governor or Governing Body of any school in the Trust, or a Trustee of the Trust, will be dealt with through the GLT Complaints Procedure that can be found on the Trust website.

Exceptions to the Complaints procedure

Certain matters are dealt with under separate procedures, and not through the School or GLT Complaints Procedure (information on these policies and procedures can be found on the Trust website or by contacting the Trust or school):

- Complaints about child protection matters are handled under the Safeguarding Policy procedures and in accordance with relevant statutory guidance.
- Complaints about the administration of the appeals process for admissions to schools within the Trust are dealt with through the Admissions Appeals Procedure.
- Representations against a pupil's suspension or exclusion from school are dealt with under the Suspension & Exclusion Procedure and the relevant statutory guidance.
- Complaints from Trust staff will be dealt with under the Trust's internal grievance procedures.
- Complaints about the conduct of Trust staff will be considered under the Trust's staff disciplinary procedures. Complainants will not be informed of any disciplinary action taken against a staff member as a result of a complaint, but will be notified that the matter is being addressed and allowed to progress their complaint through the school's complaints procedure.

- Complaints about the conduct of Trustees or governors or non-Trustee members of Trust Committees will be considered under the Trust's Trustee and Governor disciplinary procedures. Complainants will not be informed of any disciplinary action taken, but will be notified that the matter is being addressed and allowed to progress their complaint through the school's complaint procedure.
- The Trust also has a Whistleblowing Policy for all members of Trust staff, contractors, Trustees and governors.

Concerns about statutory assessments of special educational needs should be raised directly with the relevant local authority.

School pupils who have comments or complaints should in the first instance take them up through their school, rather than through the Complaints Procedure.

Complaints about third-party users of school/Trust premises or facilities should be taken up with the third party directly, and not through the school/Trust Complaints Procedure. The Headteacher/GLT CEO must ensure that any third party user of their school's/Trust premises or facilities has a published complaints procedure.

The Complaints Procedure

Each school in the Trust and the Trust Shared Service must follow the common GLT Complaints Procedure as approved by the Board of Trustees.

The Complaints Procedure will include:

1. An informal stage that seeks to resolve the matter through discussion with appropriate school/Trust staff.
2. A formal complaint stage where a complaint, that has not been resolved by the informal stage, may be made in writing to the Headteacher of the school/GLT CEO.
3. A hearing before a complaints panel, if the complainant is not satisfied with the response from the formal stage.

If after it having been dealt with in accordance with the Complaints Procedure the complainant does not feel the matter has been resolved they may then make a complaint to the Education & Skills Funding Agency (ESFA).

The complaints panel may make findings and recommendations to the Headteacher or GLT CEO and/or to the Governing Body or Board of Trustees; a copy of those findings and recommendations will be provided to the complainant and, where relevant, the person complained about; and made available for inspection on the school and/or Trust premises by the Headteacher or GLT CEO.

The Headteacher/GLT CEO must keep a written record of all complaints to their School/the Trust as a whole or the Trust Shared Service, and whether they are resolved following a formal procedure, or proceed to a panel hearing; and the action taken by the school/Trust as a result of those complaints (regardless of whether they are upheld).

All correspondence, statements and records relating to individual complaints must be kept confidential, except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them, and retained in line with the GLT Information, Data and Cyber Security Policy and Procedures and Part 7 of the Education (Independent School Standards) Regulations 2014.

Each Headteacher, and the GLT CEO for the Trust Shared Service, will appoint a named member of staff as Complaints Contact; to be inserted into the school/Trust copy of the GLT Complaints Procedure that will be published on the school/Trust website.
