1 Admission for entry to Year 7, September 2028

Broadwater School has a Published Admission Number of 150 for entry into Year 7 in September 2028. Broadwater School is part of Surrey Council's Co-ordinated Admissions Scheme. Applications for admission to Year 7 at Broadwater School must be made in October of the year before admission for a place in Year 7, to the child's Home Local Authority on their Common Application Form, naming Broadwater School as a preference on the form.

The Common Application Form (CAF) must be submitted to the child's Home Local Authority no later than **31 October**.

In addition, the school has a Special Educational Unit for students with Speech and Language and Communication Needs. The Unit provides 30 places (across Years 7 – 11) for students with an Education Health Care Plan who are placed at Broadwater School by the SEN Team at Surrey County Council in agreement with the school. Parents wishing to apply for a place at the Unit should contact Surrey SEND Team in the first instance.

Applications must be made by the Parent. Parent refers to the person with 'parental responsibility' for the child or the child's designated carer. Where the applicant is not the natural birth parent this should be indicated on the application form.

1.1 EHCP

Students with an Education Health Care Plan that names the school will be allocated a place before other applicants are considered.

In this way, the number of places offered, as set out below will be reduced by the number of children with an EHCP that has named the school.

1.2 Oversubscription criteria

If the school receives more applications than there are places available, the following criteria will be applied.

Priority 1: Looked After Children

Priority for Looked After Children or children who were Previously Looked After.

a) children who are in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989, e.g. fostered or living in a children's home, at the time an application for a school is made; and
b) children who have previously been in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989 and who have left that care through adoption, a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989); and
c) children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child will be regarded as having been in state care outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to

benefit society. The parent/carer will need to provide evidence to demonstrate that the child was in state care outside of England and left that care as a result of being adopted.

Priority 2: Exceptional Medical/Social Needs

Priority for students who have an exceptional social and/or medical need.
Students who have either medical or social grounds for admission to this school. This evidence must set out the particular reason why the student should attend this school rather than any other and show that this is the only suitable school to meet their stated needs, why no other local school could meet those needs and what the difficulties would be if the child had to attend any other local school.

Parents should complete the Trust's Social and Medical Form (in addition to the CAF), which can be found on the school's website www.broadwater.surrey.sch.uk

The Social and Medical Form must be supported by relevant written evidence from a registered professional(s) involved with the child. Examples include registered health professionals, such as a Consultant, GP, Psychologist or Psychiatrist. All evidence must be on letter-headed paper and reflect the child's current situation.

The Trust's Social and Medical Form must be submitted directly to the Greenshaw Learning Trust no later than 31 October via email to s.m@greenshawlearningtrust.co.uk or posted to, Head of Admissions, Greenshaw Learning Trust, Oru Sutton, 7 Throwley Way, Sutton SM1 4AF.

The CAF must be submitted directly to the child's home Local Authority no later than 31 October.

Evidence submitted after the closing date will not be considered. Only in exceptional circumstances the Trust may apply discretion to consider evidence submitted after the closing date. It is therefore important that all relevant evidence is submitted at the time of application and should be submitted before the closing date to ensure full consideration.

Applications will be assessed against the evidence and determined as a joint decision of the Greenshaw Learning Trust Head of Admissions and the school's Headteacher.

Priority 3: Children of permanent members of staff

Priority for children of permanent members of staff of the school.

Where;

- The member of staff has been employed at Broadwater School for two or more consecutive years at the time at which the application for admission to the school is made; or
- The member of staff has been recruited to fill a vacant post for which there is a demonstrable skill shortage.

Priority 4: Siblings

Priority for students who will have a sibling at the school at the time of admission.

Sibling refers to brother or sister, half brother or sister, adopted brother or sister, foster brother or sister, stepbrother or sister, or the child of the parent's partner, as well as children who are brought

together as a family by a same-sex civil partnership. In every case, the child must be living in the same family unit at the same address, Monday to Friday, at the time of the application.

Cousins or children of friends living with their parents in the same household are not included.

Where a parent applies for entry into the same year group for more than one child and it is not possible to offer a place to all of them, the names of the children who were unsuccessful will be added to the waiting list in accordance with the published admission criteria, in the same way as for other children.

Priority 5: Distance

Any remaining places will be offered based on proximity of the child's home address to the school.

Distance will be measured in a straight line from the address point of the child's home address, as set by Ordnance Survey, to the nearest official school gate for pupils to use. This is calculated using Surrey Council Admissions Team's Geographical Information System.

The address on the application must be the child's permanent place of residence. The address will normally be the parents' address. It should not be a business or carer's/childminder's address. It should also not be a relative's address unless the child lives at that address as their normal place of residence. Parents must not use a temporarily rented address to secure a school place for their child if they still possess or rent a property previously used as a home address. Nor will a temporary address be accepted if we believe that the temporary address is being used solely for the purpose of obtaining a school place when an alternative address is still available to that child.

Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration (i.e. a letter) signed by both parents stating the pattern of residence. A letter of joint declaration should be sent to the student's home Local Authority and must be received before the closing date of 31 October. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to the school.

If no joint declaration is received by the closing date for applications, then if the residence is not split equally between both parents the home address will be determined to be the address where the child spends the majority of the school week; if residence is split equally between both parents the home address will be determined to be the address where the child is registered with the doctor. However, all evidence will be taken in to account.

Applicants living outside of England may submit an application if they have a linked address within the Local Authority area, and documentary evidence must be supplied to show they will return to the address prior to the September of the year of entry; this address must not be an address of convenience. Where a linked address is <u>not</u> available the overseas address will be used to determine the home to school distance.

For families of service personnel with a confirmed posting to the area, or crown servants returning from overseas to live in the area, who do not currently live in the area, a Unit postal address or quartering area address will be used as the home address, provided that the application is accompanied by an official letter that declares a relocation date and the address.

DRAFT

Applications are ranked in accordance to the home to school distance within each priority. The distance measurement used is defined within Priority 5 for distance.

1.3 Tie Breaker

Where two or more applicants share priority for a place the child to be offered a place will be selected by the drawing of lots. Lots will be drawn by a senior officer of the Greenshaw Learning Trust Shared Service who is independent of the school's admissions process.

2 Applications for students outside of the normal age group

Students are normally educated in school with others of their age group. However, parents may request that their child is exceptionally admitted to an age group outside of the child's actual age.

Parents should submit a request for education outside of the normal age group in writing (by letter or email) at the time of the application. The request should be sent with the application to the address detailed on the application form.

The decision will be made based on whether or not the child's circumstances make this appropriate, taking into account the child's individual needs and abilities and considering in which year group these needs can best be met. Such requests will only be agreed in exceptional circumstances.

Decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

Parents may wish to include evidence of the child's circumstances which make education outside the age group necessary. Evidence must be of the individual child's need, rather than general factors which relate to a wider group of children born at a similar time.

Parents requesting admission to an age group below the child's actual age should submit an application for the child's actual age group before the relevant closing date in the normal way. The request for later admission should accompany the submission of the Common Application Form to the home Local Authority. This enables the application to be processed, and a school place secured in the child's actual age group if the request for admission to an age group below the child's actual age is refused.

The decision will be made as a joint decision of the Greenshaw Learning Trust Head of Admissions and the school's Headteacher.

3.1 Late Applications

Application forms received after the closing date will be considered after those that are received on time, unless exceptional circumstances apply. These must comply with the Local Authority's ruling on late applications. If you are unsure whether your circumstances would be regarded as a 'good reason', you must contact your home LA for further advice.

3.2 Notification and Acceptance of Offers
Notification of offers for admission to Year 7 will be sent to parents by their home Local Authority. Offers are made by the home Local Authority on or about 1 March. Written acceptance of the offer of a place must be sent to the Local Authority to be received by the closing date as stated in the offer letter.

An offer found to have been gained fraudulently may be withdrawn. This may also be the case after the child has started at the school.

3.3 Waiting lists

If the school is oversubscribed a waiting list will be held for Year 7 until 31 December.

Parents wishing to remain on the waiting list after 31 December should write to the school by 31 December stating their wish and providing their child's name, date of birth and the name of their current school.

The waiting list will be prioritised according to the school's oversubscription criteria and without regard to the date the application was received or when a child's name was added to the waiting list.

4 In-year Admissions

Broadwater School is part of Surrey Council's Co-ordinated Admissions Scheme for In-Year Admissions. To apply for a place at Broadwater School, outside of the normal round for admissions, parents should complete the In-Year application form provided by Surrey Council.
Where there are more applicants than places available, the school will maintain a waiting list according to the oversubscription criteria and without regard to the date the application was received or when a child's name was added to the waiting list.

Positions on the waiting list may go down as well as up. This is because other children might be added to the waiting list who have a greater priority for a place against the school's admission criteria; for example, when new families move into the area or when other families who had not previously named the school as a preference, ask to go on the waiting list after the initial allocation date.

Waiting lists are cancelled at the end of the academic year.

Parents must re-apply if they would like their child to be considered for a place at the school for the following academic year by completing as new in-year application.

Only applications received on or after 1 July, or for a September start will automatically remain on the waiting list for the following academic year. Applications received prior to the 1 July will be cancelled.

5 Appeals

Parents have a statutory right of appeal against the decision not to offer a place at a school, under the School Standards & Framework Act 1998.

Appeals will be heard by an Independent Appeal Panel established by the Greenshaw Learning Trust to hear the appeal. The panel will decide whether to uphold or dismiss the appeal. Where a panel upholds the appeal, the school is required to admit the child.

Appeals for entry in September 2028 must be received by **TBC** at the latest if these are to be heard by the Independent Appeal Panel by **TBC**. Appeals received after **TBC** where possible will be heard by **TBC**; however, this will depend on the date the appeal is lodged and cannot be guaranteed.

Further information on how to lodge an appeal can be found
