1. Introduction - What is Shared Parental Leave?

Shared Parental Leave enables eligible parents to choose how to share the care of their child during the first year of birth or adoption. Its purpose is to give parents more flexibility in considering how to best care for, and bond with, their child. All eligible member of staff s have a statutory right to take Shared Parental Leave. There may also be an entitlement to some Shared Parental Pay. This policy sets out the statutory rights and responsibilities of member of staff s who wish to take statutory Shared Parental Leave (SPL) and statutory Shared Parental Pay (ShPP).

The Trust recognises that, from time to time, member of staff s may have questions or concerns relating to their shared parental rights. It is the Trusts policy to encourage open discussion with member of staff s to ensure that questions and problems can be resolved as quickly as possible. Member of staff s should clarify the relevant procedures with their HR Lead to ensure that they are followed.

2. Review and approval

This Policy and associated procedures will be reviewed regularly in line with changes to legislation.

Before implementing changes in employment policies and procedures and working and organisational arrangements the Trust will, where appropriate, undertake consultation and negotiation with Trade union representatives through the JCNC.

3. Responsible persons

The person responsible for this policy is the GLT Head of HR:

- **Jenny Cain. Email: jcain@greenshaw.co.uk; telephone: 020 8715 1078.**

Each school in the Trust will designate a School HR Lead who will be the primary point of contact for staff within the school raising HR matters and for liaison with the GLT Head of HR with regard to HR matters in the school. For the central Trust team, the GLT HR Systems Manager will act as the HR Lead.

Responsibility for the implementation of this Policy in a school in the Trust has been delegated to the Headteacher of the school. Responsibility for the implementation of this Policy in the Trust central service has been delegated to the GLT CEO. (Subject to the GLT Scheme of Delegation and any specific Scheme or alteration or restriction to the Scheme placed on the school or service.)

4. Associated Policies, Procedures and Legislation

The following Trust policies and procedures are directly related to and complement this Policy:

- GLT Equalities Policy

- GLT Maternity Policy

This Policy was also written, in compliance with:

- The Shared Parental Leave Regulations 2014
- The Shared Parental Pay (General) Regulations 2014
- The Maternity and Adoption Leave (Curtailed of Statutory Rights to Leave) Regulations 2014
- Employment Rights Act 1996
- Child and Families Act 2014
- Equality Act 2010

4. Who is eligible for Shared Parental Leave?

SPL can only be used by two people:

1. The mother/adopter and
2. One of the following:
 - the father of the child (in the case of birth) or
 - the spouse, civil partner or partner of the child's mother/ adopter.

Both parents must share the main responsibility for the care of the child at the time of the birth/placement for adoption.

Additionally the member of staff seeking to take SPL must satisfy each of the following criteria:

- the mother/adopter of the child must be/have been entitled to statutory maternity/adoption leave or if not entitled to statutory maternity/adoption leave they must be/have been entitled to statutory maternity/adoption pay or maternity allowance and must have ended or given notice to reduce any maternity/adoption entitlements;
- the member of staff must still be working for the school at the start of each period of SPL;
- the member of staff must pass the 'continuity test' requiring them to have a minimum of 26 weeks' service at the end of the 15th week before the child's expected due date/matching date;
- the staff members partner must meet the 'employment and earnings test' requiring them in the 66 weeks leading up to the child's expected due date/matching date have worked for at least 26 weeks and earned an average of at least £30 (this is correct as of 2015 but may change annually) a week in any 13 of those weeks;
- the member of staff must correctly notify the school of their entitlement and provide evidence as required.

5. The Shared Parental Leave entitlement

Eligible members of staff may be entitled to take up to 50 weeks SPL during the child's first year in their family. The number of weeks available is calculated using the mother's/adopter's entitlement to maternity/adoption leave, which allows them to take up to 52 weeks' leave. If they reduce their maternity/adoption leave entitlement then they and/or their partner may opt-in to the SPL system and take any remaining weeks as SPL.

A mother/adopter may reduce their entitlement to maternity/adoption leave by returning to work before the full entitlement of 52 weeks has been taken, or they may give notice to curtail their leave at a specified future date.

If the mother/adopter is not entitled to maternity/adoption leave but is entitled to Statutory Maternity Pay (SMP), Statutory Adoption Pay (SAP) or Maternity Allowance (MA), they must reduce their entitlement to less than the 39 weeks. If they do this, their partner may be entitled to up to 50 weeks of SPL. This is calculated by deducting from 52 the number of weeks of SMP, SAP or MA taken by the mother/adopter.

SPL can commence as follows:

- The mother can take SPL after she has taken the legally required two weeks of maternity leave immediately following the birth of the child
- The adopter can take SPL after taking at least two weeks of adoption leave
- The father/partner/spouse can take SPL immediately following the birth/placement of the child, but may first choose to exhaust any paternity leave entitlements (as the father/partner cannot take paternity leave or pay once they have taken any SPL or ShPP).

Where a mother/adopter gives notice to curtail their maternity/adoption entitlement then the mother/adopter's partner can take leave while the mother/adopter is still using their maternity/adoption entitlements.

SPL will generally commence on the staff members chosen start date specified in their leave booking notice, or in any subsequent variation notice (see "Booking Shared Parental Leave" and "Variations to arranged Shared Parental Leave" below).

If the member of staff is eligible to receive it, Shared Parental Pay (ShPP) may be paid for some, or all, of the SPL period (see "Shared Parental Pay" below).

SPL must end no later than one year after the birth/placement of the child. Any SPL not taken by the first birthday or first anniversary of placement for adoption is lost.

6. Notifying the School/Trust of an entitlement to Shared Parental Leave

A member of staff entitled and intending to take SPL must give their line manager notification of their entitlement and intention to take to SPL, at least eight weeks before they can take any period of SPL.

Part of the eligibility criteria requires the member of staff to provide the HR Lead with correct notification. Notification must be in writing and requires each of the following:

- the name of the member of staff
- the name of the other parent;
- the start and end dates of any maternity/adoption leave or pay, or maternity allowance, taken in respect of the child and the total amount of SPL available;
- the date on which the child is expected to be born and the actual date of birth or, in the case of an adopted child, the date on which the member of staff was notified of having been matched with the child and the date of placement for adoption;
- the amount of SPL the member of staff and their partner each intend to take
- a non-binding indication of when the member of staff expects to take the leave.

The member of staff must provide the HR Lead with a signed declaration stating:

- that they meet, or will meet, the eligibility conditions and are entitled to take SPL;
- that the information they have given is accurate;
- if they are not the mother/adopter they must confirm that they are either the father of the child or the spouse, civil partner or partner of the mother/adopter;
- that should they cease to be eligible they will immediately inform the school.

The member of staff must provide the HR Lead with a signed declaration from their partner confirming:

- their name, address and national insurance number (or a declaration that they do not have a national insurance number);
- that they are the mother/adopter of the child or they are the father of the child or are the spouse, civil partner or partner of the mother/adopter;
- that they satisfy the 'employment and earnings test' (see "Who is eligible for Shared Parental Leave?" above), and had at the date of the child's birth or placement for adoption the main responsibility for the child, along with the member of staff;
- that they consent to the amount of SPL that the member of staff intends to take;
- that they consent to the school processing the information contained in the declaration form; and
- (in the case whether the partner is the mother/adopter), that they will immediately inform their partner should they cease to satisfy the eligibility conditions.

7. Requesting further evidence of eligibility

The HR Lead may, within 14 days of the SPL entitlement notification being given, request:

- the name and address of the partner's employer (where the member of staff's partner is no longer employed or is self-employed their contact details must be given instead)
- in the case of biological parents, a copy of the child's birth certificate (or, where one has not been issued, a declaration as to the time and place of the birth).
- in the case of an adopted child, documentary evidence of the name and address of the adoption agency, the date on which they were notified of having been matched with the child and the date on which the agency expects to place the child for adoption

8. Fraudulent claims

The School/Trust can, where there is a suspicion that fraudulent information may have been provided or where the school has been informed by the HMRC that a fraudulent claim was made, investigate the matter further in accordance with the usual company investigation and disciplinary procedures, and also without acting in a discriminatory manner in relation to any of the protected characteristics defined in the Equality Act 2010.

9. Discussions regarding Shared Parental Leave

A member of staff considering/taking SPL is encouraged to contact their HR Lead to arrange an informal discussion as early as possible regarding their potential entitlement, to talk about their plans and to enable the Trust to support the individual.

The HR Lead may upon receiving a notification of entitlement to take SPL seek to arrange an informal discussion with the member of staff to talk about their intentions and how they currently expect to use their SPL entitlement.

Upon receiving a leave booking notice the HR Lead will usually arrange a meeting to discuss it. Where a notice is for a single period of continuous leave, or where a request for discontinuous leave can without further discussion be approved in the terms stated in the member of staff's notice booking leave, a meeting may not be necessary.

Where a meeting is arranged it should take place in private and be arranged in advance. If the initial date is problematic then another date will be arranged if possible. If an alternative date cannot be arranged then the meeting may be held over the telephone.

At the meeting the member of staff may, if they wish, be accompanied by a workplace colleague, trade union representative.

The purpose of the meeting is to discuss in detail the leave proposed and what will happen while the member of staff is away from work. Where it is a request for discontinuous leave the discussion may also focus on how the leave proposal could be agreed, whether a modified arrangement would be agreeable to the member of staff and the School/Trust and what the outcome may be if no agreement is reached.

10. Booking Shared Parental Leave

In addition to notifying the employer of entitlement to SPL/ShPP, the member of staff must also give notice to take the leave. In many cases, notice to take leave will be given at the same time as the notice of entitlement to SPL.

The member of staff has the right to submit notification(s) specifying leave periods they are intending to take. Each notification may contain either (a) a single period of weeks of leave; or (b) two or more weeks of discontinuous leave, where the member of staff intends to return to work between periods of leave.

[Allowing a member of staff to submit three notifications to book/vary leave is the statutory minimum and employers may find it preferable to specify a higher/unlimited number of notifications]

SPL can only be taken in complete weeks but may begin on any day of the week. For example if a week of SPL began on a Tuesday it would finish on a Monday. Where a member of staff returns to work between periods of SPL, the next period of SPL can start on any day of the week.

The member of staff must book SPL by giving the correct notification at least eight weeks before the date on which they wish to start the leave and (if applicable) receive ShPP.

11. Continuous leave notifications

A notification can be for a period of continuous leave, which means a notification of a number of weeks taken in a single unbroken period of leave (for example, six weeks in a row).

A member of staff has the right to take a continuous block of leave notified in a single notification, so long as it does not exceed the total number of weeks of SPL available to them (specified in the notice of entitlement) and the employer has been given at least eight weeks' notice.

A member of staff may submit up to three separate notifications for continuous periods of leave.

12. Discontinuous leave notifications

A single notification may also contain a request for two or more periods of discontinuous leave, which means asking for a set number of weeks of leave over a period of time, with breaks between the leave where the member of staff returns to work (for example, an arrangement where a member of staff will take six weeks of SPL and work every other week for a period of three months).

Where there is concern over accommodating the notification, the School/Trust or the member of staff may seek to arrange a meeting to discuss the notification with a view to agreeing an arrangement that meets both the needs of the member of staff and the School/Trust (see "Discussions regarding Shared Parental Leave" above).

Notifications of periods of discontinuous leave will be subject to a 14-calendar day discussion period. Following this period, the School/Trust has the right to refuse the notification. If the leave pattern is refused, the employee can either withdraw the notification or take the leave in a continuous block.

13. Responding to a Shared Parental Leave notification

Once the HR Lead receives the leave booking notice, it will be dealt with as soon as possible, but a response will be provided no later than the 14th day after the leave request was made.

All notices for continuous leave will be confirmed in writing.

All requests for discontinuous leave will be carefully considered, weighing up the potential benefits to the member of staff and to the School/Trust against any adverse impact to the business.

Each request for discontinuous leave will be considered on a case-by-case basis. Agreeing to one request will not set a precedent or create the right for another member of staff to be granted a similar pattern of SPL.

The member of staff will be informed in writing of the decision as soon as is reasonably practicable, but no later than the 14th day after the leave notification was made. The request may be granted in full or in part: for example, a modified version of the request may be required.

If a discontinuous leave pattern is refused then the member of staff may withdraw the request without detriment on or before the 15th day after the notification was given; or may take the total number of weeks in the notice in a single continuous block. If the member of staff chooses to take the leave in a single continuous block, the member of staff has until the 19th day from the date the original notification was given to choose when they want the leave period to begin. The leave cannot start sooner than eight weeks from the date the original notification was submitted. If the member of staff does not choose a start date then the leave will begin on the first leave date requested in the original notification.

14. Variations to arranged Shared Parental Leave

The member of staff is permitted to vary or cancel an agreed and booked period of SPL, provided that they advise the HR Lead in writing at least eight weeks before the date of any variation. Any new start date cannot be sooner than eight weeks from the date of the variation request.

Any variation or cancellation notification made by the member of staff, including notice to return to work early, will usually count as a new notification reducing the member of staff's right to book/vary leave by one. However, a change as a result of a child being born early, or as a result of the Trust requesting it be changed, and the member of staff being agreeable to the change, will not count as further notification. Any variation will be confirmed in writing by the HR Lead.

15. Statutory Shared Parental Pay (ShPP)

Eligible member of staff may be entitled to take up to 37 weeks ShPP while taking SPL. The amount of weeks available will depend on the amount by which the mother/adoption reduces their maternity/adoption pay period or maternity allowance period.

ShPP may be payable during some or all of SPL, depending on the length and timing of the leave.

In addition to meeting the eligibility requirements for SPL, a member of staff seeking to claim ShPP must further satisfy each of the following criteria:

- the mother/adoption must be/have been entitled to statutory maternity/adoption pay or maternity allowance and must have reduced their maternity/adoption pay period or maternity allowance period;
- the member of staff must intend to care for the child during the week in which ShPP is payable;
- the member of staff must have an average weekly earnings for the period of eight weeks leading up to and including the 15th week before the child's expected due date/matching date are not less than the lower earnings limit in force for national insurance contributions;
- the member of staff must remain in continuous employment until the first week of ShPP has begun;
- the member of staff must give proper notification in accordance with the rules set out below.

Where a member of staff is entitled to receive ShPP they must, at least eight weeks before receiving any ShPP, give the HR Lead written notice advising of their entitlement to ShPP. To avoid duplication, if possible, this should be included as part of the notice of entitlement to take SPL.

In addition to what must be included in the notice of entitlement to take SPL, any notice that advises of an entitlement for ShPP must include:

- the start and end dates of any maternity/adoption pay or maternity allowance;
- the total amount of ShPP available, the amount of ShPP the member of staff and their partner each intend to claim, and a non-binding indication of when the member of staff expects to claim ShPP;
- a signed declaration from the member of staff confirming that the information they have given is correct, that they meet, or will meet, the criteria for ShPP and that they will immediately inform the HR Lead should they cease to be eligible.

It must be accompanied by a signed declaration from the member of staff's partner confirming:

- their agreement to the member of staff claiming ShPP and for the Trust to process any ShPP payments to the member of staff;
- (in the case whether the partner is the mother/ adopter) that they have reduced their maternity/adoption pay or maternity allowance;
- (in the case whether the partner is the mother/ adopter) that they will immediately inform their partner should they cease to satisfy the eligibility conditions.

Any ShPP due will be paid at a rate set by the Government for the relevant tax year.

16. Terms and conditions during Shared Parental Leave

During the period of SPL, the member of staff's contract of employment continues in force and they are entitled to receive all their contractual benefits, except for salary. In particular, any benefits in kind (such as use of a car, laptop, mobile phone and gym membership) will continue and contractual annual leave entitlement will continue to accrue.

Pension contributions will continue to be made during any period when the member of staff is receiving ShPP but not during any period of unpaid SPL. Member of staff contributions will be based on actual pay, while the Trusts contributions will be based on the salary that the member of staff would have received had they not been taking SPL.

17. Annual Leave

SPL is granted in addition to a member of staff's normal annual holiday entitlement. Member of staffs are reminded that holiday should wherever possible be taken in the year that it is earned. Where an SPL period overlaps two leave years the member of staff should consider how their annual leave entitlement can be used to ensure that it is not untaken at the end of the member of staff's holiday year.

18. Contact during Shared Parental Leave

Before a member of staff's SPL begins, the HR Lead will discuss the arrangements for them to keep in touch during their leave. The Trust reserves the right in any event to maintain reasonable contact with the member of staff from time to time during their SPL. This may be to discuss the member of staff's plans to return to work, to ensure the individual is aware of any possible promotion opportunities, to discuss any special arrangements to be made or training to be given to ease their return to work or simply to update them on developments at work during their absence.

19. Shared Parental Leave in Touch days

An member of staff can agree to work for the School/Trust (or attend training) for up to 20 days during SPL without bringing their period of SPL to an end or impacting on their right to claim ShPP for that week. These are known as "Shared Parental Leave In Touch" or "SPLIT" days. Any work carried out on a day or part of a day shall constitute a day's work for these purposes.

The Trust has no right to require the member of staff to carry out any work and is under no obligation to offer the member of staff any work, during the member of staff's SPL. Any work undertaken is a matter for agreement between the Trust and the member of staff. A member of staff taking a SPLIT day will receive full pay for any day worked. If a SPLIT day occurs during a week

when the member of staff is receiving ShPP, this will be effectively 'topped up' so that the individual receives full pay for the day in question. Any SPLIT days worked do not extend the period of SPL.

A member of staff, with the agreement of the School/Trust, may use SPLIT days to work part of a week during SPL. SPLIT days may be used to support a gradual return to work by the member of staff towards the end of a long period of SPL or to trial a possible flexible working pattern.

20. Returning to work after Shared Parental Leave

The member of staff will have been formally advised in writing by the School/Trust of the end date of any period of SPL. The member of staff is expected to return on the next working day after this date, unless they notify the School/Trust otherwise. If they are unable to attend work due to sickness or injury, the Trusts normal arrangements for sickness absence will apply. In any other case, late return without prior authorisation will be treated as unauthorised absence.

If the member of staff wishes to return to work earlier than the expected return date, they may provide a written notice to vary the leave and must give the School/Trust at least eight weeks' notice of their date of early return.

On returning to work after SPL, the member of staff is entitled to return to the same job if the member of staff's aggregate total statutory maternity/paternity/adoption leave and SPL amounts to 26 weeks or less, he or she will return to the same job. The same job is the one they occupied immediately before commencing maternity/paternity/adoption leave and the most recent period of SPL, on the same terms and conditions of employment as if they had not been absent.

If their maternity/paternity/adoption leave and SPL amounts to 26 weeks or more in aggregate, the member of staff is entitled to return to the same job they held before commencing the last period of leave or, if this is not reasonably practicable, to another job which is both suitable and appropriate and on terms and conditions no less favourable.

If the member of staff also takes a period of unpaid parental leave of 4 weeks or less this will have no effect on the member of staff's right to return and the member of staff will still be entitled to return to the same job as they occupied before taking the last period of leave if the aggregate weeks of maternity/paternity/adoption and SPL do not exceed 26 weeks.

If a parent takes a period of 5 weeks of unpaid parental leave, even if the total aggregate weeks of maternity/paternity/adoption and SPL do not exceed 26 weeks, the member of staff will be entitled to return to the same job they held before commencing the last period of leave or, if this is not reasonably practicable, to another job which is suitable and appropriate and on terms and conditions no less favourable.
